MARSHALS:

The Lancashire & Cheshire Car Club and MG Car Club North Western Centre would like to thank the marshals and officials who braved the varied weather to run the event over this weekend. Without their unfailing support before and during this event, the Ty Croes Weekend Sprint could not run and we are extremely grateful for all their efforts.

The Competitors' Collection for the marshals was added to the balance left from the previous year and not only provided their refreshment vouchers but also generously added eight x £10 prizes extra to the Marshals' Free Cash Draw. On their behalf, Thank You for your appreciation of their efforts this weekend.

2008 Ty Croes Weekend Sprints

The organizing team have applied to Anglesey Circuit for the anniversary dates of our May and September events. However until the Race Calendars are settled for both Anglesey Circuit and Oulton Park (*to avoid clashes in their requirements for marshals*), we will have to wait for our dates to be confirmed.

All championships will be kept informed.

Competitors, who have supplied their current email addresses, will be notified in advance of the publication of 2008 Ty Croes Weekend Sprint Regulations when these will be available to download in March 2008.

We wish everyone good luck in their sporting activities until we see you on the island,

Ty Croes Sprint Organising Team
